

# COMPANY PROFILE

Providing High Quality Water Bottles And Hydration Solutions

---

## ABOUT US

# WELCOME TO THE WATERKING

Your trusted source for premium bottled water. We are passionate about delivering the purest, most refreshing water to our customers, ensuring they stay hydrated and healthy every day.

Beyond our products, The Waterking is built on a foundation of integrity, transparency, and customer satisfaction. We believe in building lasting relationships with our customers, earning their trust through honest business practices and exceptional service.

Whether you're enjoying our water at home, in the office, or on the go, you can always count on us.

## We Have More Than 15 Years Experience In The Water Industry

We understand the importance of clean, refreshing water in supporting a healthy lifestyle. That's why we're committed to providing you with the highest quality water bottles and hydration solutions that exceed your expectations in every way.

# COMPANY VISION & MISSION

## CLEANER, HEALTHIER WATER

To be the leading provider of bottled water solutions, recognised for our unwavering commitment to purity, sustainability, and customer satisfaction. We envision a future where every individual has access to clean, refreshing water, and where our products and practices inspire positive change in the world.

Our mission is to provide pure hydration solutions that elevate lives and promote well-being. We are committed to delivering premium-quality bottled water products that exceed our customers' expectations, while simultaneously prioritising sustainability and environmental responsibility.

## SACHETS (250ML ONLY)

With Our Water Sachets, Staying Hydrated Has Never Been Easier. Compact, Lightweight, And Portable, They're Perfect For On-The-Go Hydration, Outdoor Activities, Travel, And Emergency Preparedness.

### Purified Water Sachets

Our purified water sachets are meticulously filtered and treated to ensure the highest level of purity and safety. Perfect for on-the-go hydration, emergency relief, outdoor events, and more.

### Customized Solutions

We offer customizable water sachets, allowing you to brand your sachets with your logo, artwork, or messaging. Ideal for businesses, events, fundraisers, and promotional campaigns. This option is only available in bulk orders.

### Bulk Ordering

Whether you need a few cases or pallets of water sachets, we can accommodate orders of all sizes. Our flexible ordering options make it easy to get the quantity you need, when you need it.

## BOTTLED WATER (330ML – 10L)

We Specialise In Providing Retailers With A Wide Range Of Bottled Water Options, Available In Various Quantities To Suit Your Needs. Whether You Run A Small Convenience Store, A Bustling Supermarket Chain, Or Anything In Between, We Have The Perfect Solution To Keep Your Shelves Stocked And Your Customers Hydrated.

### Bulk Cases

Perfect for retailers with high-volume sales, our bulk cases contain multiple bottles or packs of water, ensuring you always have an ample supply on hand.

### Pallet Orders

For larger retailers or those with multiple locations, we offer pallet orders for maximum convenience and cost-effectiveness. Stock up on water and streamline your inventory management with our pallet-sized shipments.

### Customised Packaging

Want to create a unique offering for your customers? Our team can work with you to create custom-branded packaging, tailored to your brand's specifications and designed to stand out on the shelves.

### Water Dispensers

As a leading provider of water for dispensers, we supply offices and gyms to schools and healthcare facilities, our reliable and convenient water delivery service ensures that you always have access to clean, great-tasting water.

# PURIFICATION SYSTEMS

TRUSTED BRANDS

We are committed to providing you with clean, pure water for your home or office. As experts in water purification systems, we offer a range of services to ensure that you have access to safe, great-tasting water whenever you need it.

With years of experience in the industry, our team has the knowledge and expertise to recommend and install the right water purification system for your home or office. We partner with trusted brands to provide you with high-quality water purification systems that are built to last. Our products are backed by warranties for added peace of mind.

## Installation

Our experienced technicians will expertly install a water purification system tailored to your specific needs and preferences. Whether you're looking for a whole-house filtration system or a compact under-sink unit, we'll work with you to find the perfect solution for your space.

## Maintenance

Regular maintenance is key to ensuring that your water purification system continues to perform at its best. Our maintenance services include filter replacements, system inspections, and performance checks to keep your system running smoothly.

## Repairs

If your water purification system is experiencing issues, our team is here to help. We'll diagnose the problem quickly and efficiently and provide you with prompt, reliable repairs to get your system back up and running as soon as possible.

# BRANDING SOLUTIONS

FREE LABEL DESIGN AND LAYOUT

We specialize in providing premium branded bottled water solutions to elevate your brand and make a lasting impression. Whether you're hosting a corporate event, planning a wedding, or looking for a unique promotional item for your business, our customisable bottled water products are the perfect way to showcase your brand in style.

Customer satisfaction is our top priority. We offer free label design and layout with every order. From your initial inquiry to the delivery of your order, our team is dedicated to providing you with friendly, responsive service every step of the way.

## Custom Labelled Bottles

Make a statement with our custom labelled bottled water. Choose from a range of bottle sizes and shapes, then add your logo, artwork, or messaging to create a personalized design that represents your brand perfectly.

## Private Labelling

Looking for a completely custom solution? Our private labelling option allows you to create a unique bottled water product from start to finish. From the label design to the water itself, we'll work with you to bring your vision to life.

## Event Bottles

Planning a special event? Our event bottles are the perfect way to add a personalized touch to your celebration. Whether it's a wedding, a birthday party, or a corporate gathering, our customized bottled water will impress your guests and leave a lasting impression.
